

**Bulletin # 5**

**Reduced ICANS Course Fees**

**Approved: June 24, 2010**

**(Note: This Policy has been approved by the Professional Development Committee (the “Committee”) and is subject to review and possible change from time to time.)**

ICANS recognizes the need for its members to maintain and develop their professional competencies. In order to be supportive of those members who otherwise face obstacles in participating in PD learning activities, ICANS has adopted the following policy:

Members who have qualified for a full or partial waiver of their annual membership dues will be entitled to register for any ICANS Passport Valid PD seminar for an administration fee of \$25 (plus HST) per course / per day.

In those situations where a member has received in the year a full fee waiver due to disability or hardship, the administration fee will also be waived.

Note: Effective May 1, 2010, unless otherwise approved by the Director of Professional Development, members shall be entitled to the stated reductions up to a maximum of 21 hours in any calendar year.

If you have any questions, please contact the Membership Registrar at (902) 425-3291.
