ICANS MEMBERS TEE-OFF FOR BOYS AND GIRLS CLUB
What better way to ‘kick-off’ summer than a golf tournament with your friends and colleagues. Held at the Chester Golf & Country Club, ICANS’ 17th Annual Golf Tournament was held on *June 17, 2013*. Longest Drive:Justin Bennett and Lori White
Most Honest Teams:

In addition to a fun day of golf and camaraderie, participants and our generous sponsors (Accountant Staffing, Boyne Clarke, Johnson Inc. and Scotiabank) raised much needed funds for the Boys and Girls Clubs of Nova Scotia (check out the August E-SCAN for total donation). Special thanks to Jack Gorrill, CA, for all his work in chairing the ICANS Golf Committee; and to committee members: Robert Bourgeois, CA; Marc Furlotte, CA; Lauchie McKenzie, FCA; Heather Stanhope, CA; Louis Velocci Jr., CA; Troy Yeo, CA; and Cindy Mombourquette (ICANS staff representative). Thanks also to Trevor Brown, Executive Director, Sackville Boys and Girls Club, for supervising the ‘hole-in-one’ contest.

*ICANS’ Annual Meeting was also held on June 17, 2013* at the Chester Golf & Country Club (see the June 2013 issue of E-SCAN). To review the Amendments to Rules of Professional Conduct and Accompanying Council Interpretations approved at the meeting, see page #3 of this issue of E-SCAN.

- **CGA-Yukon Member Survey Shows Strong Support for Merger** — CPA Canada posted an update on July 10, 2013 to announce that a survey of The Certified General Accountants Association of the Yukon’s (CGA-Yukon) 30 members has found that an overwhelming 93.8 per cent of respondents support merging under the Chartered Professional Accountant (CPA) designation. Some 53.3 per cent of Yukon CGAs responded to the survey, which was held between June 5 and 17th. In separate votes, members of The Institute of Chartered Accountants and The Certified Management Accountants of the Yukon have also supported unification. - **CGA-PEI Announces Positive Vote Results** — CPA Canada posted an update on July 9, 2013 to announce that The Certified General Accountants of Prince Edward Island (CGA-PEI) released the official results of their member vote concerning the unification of the accounting bodies and designations on PEI. The update stated that approximately 74 per cent of the membership participated in the vote, which took place between June 13 and 24th. The results show that 98.1 per cent of respondents support CGA-PEI merging with The Institute of Chartered Accountants of PEI (ICAPEI) and The Certified Management Accountants of PEI (CMA PEI) in a three-way unification of provincial accounting bodies, and 98 per cent voted in support of the PEI Unification Proposal. FINANCIAL REPORTING & ASSURANCE STANDARDS HIGHLIGHTS

Below are news highlights re: financial reporting and assurance standards in Canada. To ensure you receive a complete account of the latest information from the Accounting Standards Oversight Council (AcSOC), the Accounting Standards Board (AcSB), the Public Sector Accounting Board (PSAB), the Auditing and Assurance Standards Oversight Council (AASOC), and the Auditing and Assurance Standards Board (AASB), click on: http://www.frascanada.ca/site-utilities/EmailCheck.aspx.

- **Exposure Draft - Related Party Transactions** — The PSAB has issued a Re-Exposure Draft that proposes a new Handbook section dealing with related party transactions. Stakeholders are encouraged to submit their comments, on the form provided, by September 4, 2013. For more info, click on: http://www.frascanada.ca/standards-for-public-sector-entities/documents-for-comment/item74625.pdf.

- **Exposure Draft - Engagements to Review Historical Financial Statements** — The AASB has issued an Exposure Draft that proposes a new Canadian standard dealing with engagements to review historical financial statements to replace the existing review engagement standards that cover the same matters. Subject to input received from Canadian stakeholders, the proposed standard would be effective for reviews of historical financial statements for periods ending on or after December 14, 2015. Early adoption would not be permitted. Stakeholders are encouraged to submit their comments, on the form provided, by October 11, 2013. To access the Exposure Draft, click on: http://www.frascanada.ca/assurance-and-related-services-standards/documents-for-comment/item74902.pdf.

- **Statement of Principles - Improvements to Not-for-Profit Standards** — The deadline for comments has been extended to December 15, 2013 from September 15, 2013, to allow sufficient time for consultation with stakeholders. For more info, click on: http://www.frascanada.ca/standards-for-not-for-profit-organizations/documents-for-comment/item73780.pdf; see below for original notice:

  The AcSB and PSAB have issued a Statement of Principles that proposes significant improvements to the existing standards for financial reporting by not-for-profit organizations (NFPOs) in both the private and public sectors. The proposals affect both Part III of the CICA Handbook - Accounting and the PS 4200 series of standards in the CICA Public Sector Accounting Handbook. The Boards are proposing the following improvements to the not-for-profit standards:
  - To enhance the comparability and understandability of the financial statements prepared by NFPOs. One proposal is to eliminate the size exemption, thereby requiring capital assets to be recognized by the entity regardless of the size of the NPO;
  - To improve the consistency between the not-for-profit standards and other standards followed by private and public sector entities;
  - To address those transactions and circumstances unique to NFPOs, such as recognition of contributions, allocation of expenses, and consolidation of controlled entities.

Since all NPOs will be affected by these proposed changes, practitioners and their clients are encouraged to learn more by reading the Statement of Principles, the first major step in the standards development process.
